Review of Estimate Priorities List

003
12284

The attached paper is submitted for consideration of the Committee in pursuance of the instructions of the IAC at its meeting of 2 November (IAC-M-3, paragraph 2). The effort here is to produce regional groupings and priorities within them which will allow the IAC members a better perspective of what can be done concurrently by the working staffs. This paper incorporates the ideas laid down in IAC-M-2, paragraph 2, and IAC-D-1.
